Mr C. L. Moore
38 Congress St.
Ashville N.C.

Dear Mr Moore:

I am writing to ask if you would like to have The Eagles come to Ashville to play a ball game Tuesday April 22nd. Your name was given to me by Mr Posey of the Grays.

We will be in that neighborhood, and would like to appear in Ashville on this date.

If the game is agranged, is there any place for the ballclub to stay? Also would you want me to order windowcards? If so what information is necessar y to put on them, name of park, team, prices, etc. How many would you use. I am asking all this information now to save time if we arrange the game, as the time is short.

I will appreciate hearing from you right away.

Very Truly Yours
